#InstaTakeoverSA

With your approval, we create and post engaging content aligned with your brand or business. We interact with your audience to get people talking and interact with your campaign / special or service.

Our aim is to give you a boost on Instagram– posting content once a day.

How does it work?

When you sign up for our take-over #InstaTakeoverSA you will be assigned to a dedicated account manager who will take over your Instagram account for the duration of the time signed for.

We will then do a mini styled photoshoot of your products or service .

In order for the account manager to access your account and take actions on your behalf, we will need you to provide your login and password details below. The safety and security of our Client(s) information is of utmost importance to us and will not be shared over any platform.
