A FEW QUESTIONS FROM MY BRIDES & GROOMS

“How long before the wedding should we book with you?”

As soon when you settled a date, book!

“Can I change a package to fit my wedding day?”

I prefer not, but I'm always willing so alter and work around your scedule

“What if something happens and you can't photograph our wedding?”

I always have standby photograpgers at hand, but over the years

I've never needed anyone to step-in for me

“How long after the Wedding do we get our images?”

Depending on your package, editing can take up-to 8 weeks

“What if my wedding runs late?”

You can add-on hours on your wedding day at R600p/h

“Do we seat you with us and give you food?”

Yes, please - a little allocated space will be much appreciated

“How does payment work?”

After youve placed your booking, 25%/50% booking must be paid to sucure your date.

Packages can be paid off in 2 or 4 months or pay in full and get 10% off

**Full payment before your wedding day*

“Do we need to do the Pre-wedding shoot or can we add it to our wedding day?”

I love to meet-up with my clients before the wedding day - to get a feel and understanding how you are infront of the camera. The Pre-shoot is not compulsory but it falls away if not used.

When do we book the Pre-Wedding Shoot?

I like to this this shoot on the same day as your make-up/hair trail.

Otherwise a month or two before your big day, on a date that suits you at location of choice

“What is the Montage Video, and how does is work?”

Its a highlited moments video on your wedding day. While I take photos I will add in small video clips, there is no sound recorded, but edited with fitting soft music. View my work here: www.vimeo.com/nikidesign
