A FEW QUESTIONS FROM PREVIOUS BRIDAL COUPLES

"How long before the wedding should we book with you?"

As soon as you have settled a wedding date!

"Can I change a package to fit my wedding day?"

I prefer not, but I'm always willing to work around your needs within reason.

"What if something happens and you can't photograph our wedding?"

I always have standby photographers on standby, but over the years. I've never needed anyone to step in for me.

"How long after the Wedding do we get our images?"

Depending on your package and season, editing can take up to 8 weeks.

"What if my wedding runs late?"

*You can add up to 1 hour extra to your wedding on the day at R2500p/h.
Extra hours may only be added if I'm available and don't have any other plans or booked clients.*

"Do we seat you with us and give you food?"

Yes, please - please provide me with an allocated space, especially for a long wedding. Not needed for package 1 and 4

"How does payment work?"

For each package I require a 25% or 50% deposit to secure your booking date.

*Packages can be paid off in 2 or 4 months or **pay in full and get 10% off***

**Full payment must be made before your wedding day.*

"Do we need to do the Pre-wedding shoot or can we add it to our wedding day?"

I love to meet-up with my clients before the wedding day - to get a feel and understanding of how you are as a couple and in front of the camera. The pre-shoot is not compulsory, but it falls away if not used.

When do we book the Pre-Wedding Shoot?

*I like to do this shoot on the same day as your make-up/hair trial.
Otherwise, a month or two before your big day, on a date that suits you at location of choice.*

"What is the Highlight Film, and how does it work?"

*It's a few of the best highlighted moments captured on video on your wedding day. While I take photos I will add in small video clips. There is no sound recorded, but I edit the video with fitting soft music. View my work here:
www.vimeo.com/nikidesign*

"Do we book your flights and traveling?"

*I prefer to book my own, I will charge you a set fee for my traveling expenses
If you do have (for example) a booked shuttle for your guests or special travel arrangements for your wedding, let me know so that I can book in with you.*
